

Legislative Update

**Facts and Figures:
The impacts and benefits of previous BRAC Rounds**

There have been four previous BRAC rounds in 1988, 1991, 1993, and 1995.

- Those rounds resulted in a total of 97 major closures, 55 major realignments, and 235 minor actions.
- Those actions have resulted in a net savings of approximately \$17 billion through FY 2001.
- They also result in an annual recurring savings of approximately \$7 billion beyond FY 2001.
