How a blockchain network records a transaction

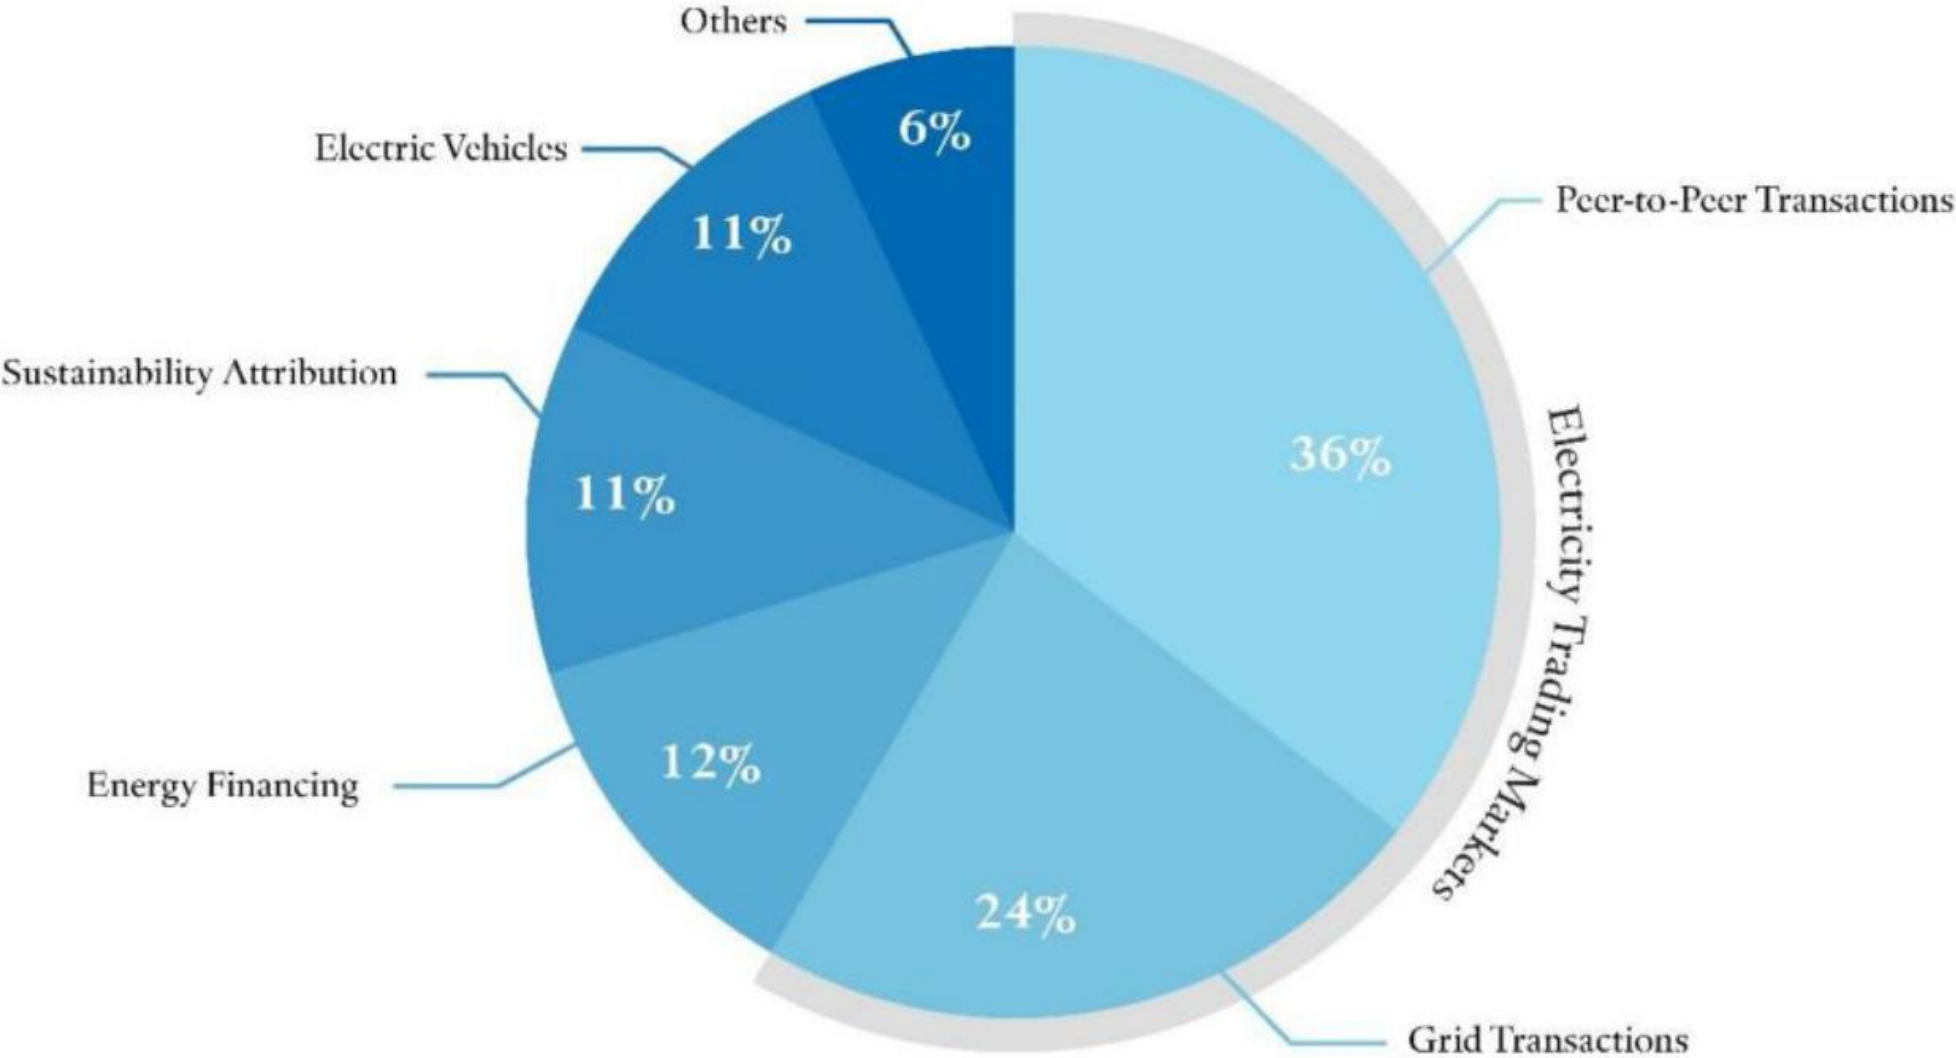

Geographic distribution of power sector blockchain initiatives

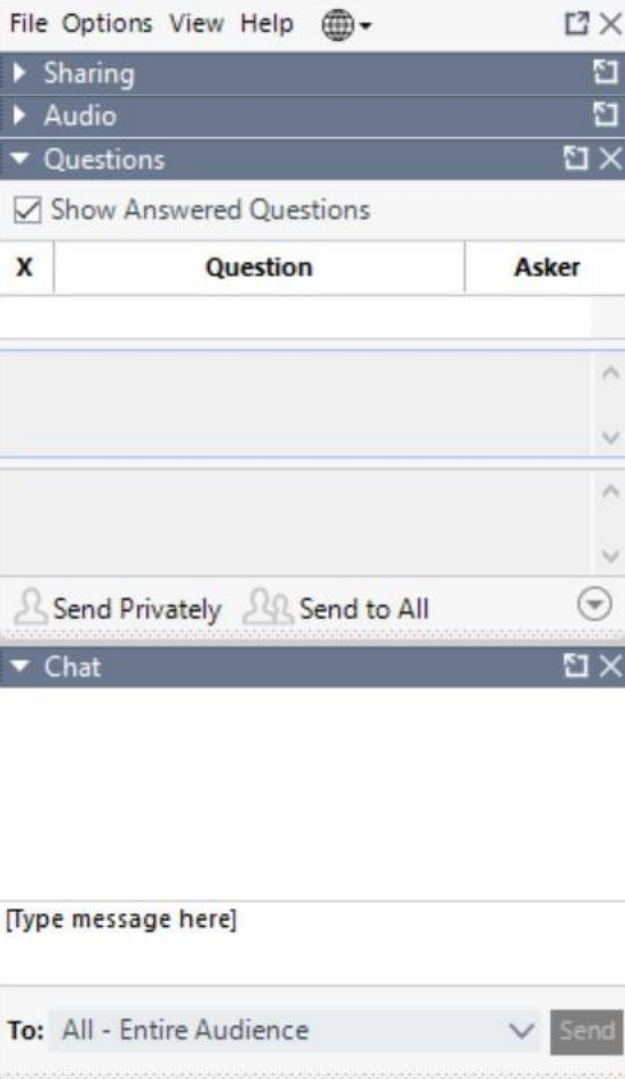

1-3 Companies 4-6 Companies 7-10 Companies 11+ Companies

Application composition of power sector blockchain initiatives

Questions?

PPortillo@NGA.org

The screenshot shows a software interface with a menu bar at the top containing 'File', 'Options', 'View', and 'Help'. Below the menu bar, there are three expandable menu items: 'Sharing', 'Audio', and 'Questions'. The 'Questions' menu is expanded, showing a checked option 'Show Answered Questions' and a table with two columns: 'Question' and 'Asker'. Below the table, there are two buttons: 'Send Privately' and 'Send to All'. At the bottom, there is a 'Chat' section with a text input field containing '[Type message here]' and a 'Send' button. A white arrow points from the word 'Questions?' in the main text to the 'Questions' menu item in the screenshot.
