NOTES

Democrat (D), *Republican (R)*

Note: The election code in different states may vary regarding elected versus appointed terms. In some states, the law may imply that a partial (appointed) term is considered a full term.

- a) Absolute two-term limitation.
- b) After two consecutive terms as governor, the candidate must wait four years before becoming eligible to run again.
- c) Limit of eight years of service out of every 16 years.
- d) Two-year term.
- e) Governor cannot serve immediate successive terms, but may be elected to non-consecutive terms.
- f) Texas Lt. Governor Rick Perry became governor in December 2000 when Governor George W. Bush was elected President. Governor Perry was elected to full four-year terms in November 2002, 2006, and 2010.
- g) American Samoa Lt. Governor Togiola T.A. Tulafono became governor on April 7, 2003, following the death of Governor Tauese Sunia on March 26, 2003. Governor Tulafono was elected to full four-year terms in November 2004 and 2008.
- h) Nebraska Lt. Governor Dave Heineman became governor on January 21, 2005, completing the unexpired term of Governor Mike Johanns following his appointment as U.S. Secretary of Agriculture. Governor Heineman was elected to full four-year terms in November 2006 and 2010.
- i) Arizona Secretary of State Jan Brewer became governor on January 21, 2009, completing the unexpired term of Governor Janet Napolitano following her appointment as U.S. Secretary of Homeland Security. Governor Brewer was elected to a full four-year term in November 2010.
- j) Illinois Lt. Governor Pat Quinn became governor on January 29, 2009, completing the unexpired term of Governor Rod Blagojevich following his removal from office. Governor Quinn was elected to a full four-year term in November 2010.
- k) Alaska Lt. Governor Sean Parnell became governor on July 26, 2009, completing the unexpired term of Governor Sarah Palin following her resignation. Governor Parnell was elected to a full four-year term in November 2010. He is eligible to run for a second full term in 2014.
- l) Utah Lt. Governor Gary Herbert became governor on August 11, 2009, following Governor Jon Huntsman Jr.'s appointment as U.S. Ambassador to China. Governor Herbert won a special gubernatorial election (required by Utah law) in November 2010 to complete Gov. Huntsman's unexpired term. He is eligible to seek a full term in 2012.
- m) Northern Mariana Islands Governor Benigno Fitial was elected to a full four-year term in November 2005 and was re-elected in November 2009. Gov. Fitial will serve a five-year term in office as governor instead of the normal four-year term due to Senate Legislative Initiative 16-11, which prescribes that future general elections in NMI will be held during even-number years. Therefore, the next gubernatorial general election in NMI will take place in 2014 instead of 2013.
- n) West Virginia Senate President/Lieutenant Governor Earl Ray Tomblin became acting governor on November 15, 2010, following the election of Governor Joe Manchin III to the U.S. Senate. Governor Tomblin won an October 2011 special gubernatorial election (required by a January 2011 state Supreme Court decision) to serve the remainder of Governor Manchin's unexpired term. He is eligible to seek a full term in 2012.
- o) North Dakota Lt. Governor Jack Dalrymple became governor on December 7, 2010, completing the unexpired term of Governor John Hoeven following his election to the U.S. Senate. Governor Dalrymple is eligible to seek a full term in 2012.
- p) California Governor Jerry Brown previously served eight years as governor from 1975-1983. Gov. Brown was elected to full four-year terms in November 1974, 1978, and 2010.
- q) Iowa Governor Terry Branstad previously served 16 years as governor from 1983-1999. Gov. Branstad was elected to full four-year terms in November 1982, 1986, 1990, 1994, and 2010.

***Note:** This column serves to indicate if a governor has completed any prior gubernatorial service (whether by succession, appointment or election to a partial or complete term of office). The notes below clarify the parameters of a governor's term(s) in office. Please consult the election code of each state to determine if a governor is eligible to serve additional terms in office.

- a) Absolute two-term limitation.
- b) After two consecutive terms as governor, the candidate must wait four years before becoming eligible to run again.
- c) Limit of eight years of service out of every 16 years.
- d) Two-year term.
- e) Governor cannot serve immediate successive terms, but may be elected to non-consecutive terms.
- f) Texas Lt. Gov. Rick Perry became governor in December 2000 when Gov. George W. Bush was elected President. Gov. Perry was elected to full four-year terms in November 2002, 2006 and 2010.
- g) Nebraska Lt. Gov. Dave Heineman became governor on January 21, 2005, completing the unexpired term of Gov. Mike Johanns following his appointment as U.S. Secretary of Agriculture. Gov. Heineman was elected to full four-year terms in November 2006 and 2010.
- h) Arizona Secretary of State Jan Brewer became governor on January 21, 2009, completing the unexpired term of Gov. Janet Napolitano following her appointment as U.S. Secretary of Homeland Security. Gov. Brewer was elected to a full four-year term in November 2010.
- i) Illinois Lt. Gov. Pat Quinn became governor on January 29, 2009, completing the unexpired term of Gov. Rod Blagojevich following his removal from office. Gov. Quinn was elected to a full four-year term in November 2010.
- j) Alaska Lt. Gov. Sean Parnell became governor on July 26, 2009, completing the unexpired term of Gov. Sarah Palin following her resignation. Gov. Parnell was elected to a full four-year term in November 2010. He is eligible to run for a second full term in 2014.
- k) Utah Lt. Gov. Gary Herbert became governor on August 11, 2009, following Gov. Jon Huntsman Jr.'s appointment as U.S. Ambassador to China. Gov. Herbert won a special gubernatorial election (required by Utah law) in November 2010 to complete Gov. Huntsman's unexpired term. Gov. Herbert was elected to a full four-year term in November 2012.
- l) Northern Mariana Islands Lt. Gov. Eloy S. Inos became governor on February 20, 2013, completing the unexpired term of Gov. Benigno Fitial following his resignation. Gov. Fitial was serving a five-year second term in office as governor (instead of the normal four-year term) because of Senate Legislative Initiative 16-11, which prescribes that future general elections in NMI will be held during even-number years. Therefore, the next gubernatorial general election in NMI will take place in 2014 instead of 2013.
- m) West Virginia Senate President/Lieutenant Gov. Earl Ray Tomblin became acting governor on November 15, 2010, following the election of Gov. Joe Manchin III to the U.S. Senate. Gov. Tomblin won an October 2011 special gubernatorial election (required by a January 2011 state Supreme Court decision) to serve the remainder of Gov. Manchin's unexpired term. Gov. Tomblin was elected to a full four-year term in November 2012.
- n) North Dakota Lt. Gov. Jack Dalrymple became governor on December 7, 2010, completing the unexpired term of Gov. John Hoeven following his election to the U.S. Senate. Gov. Dalrymple was elected to a full four-year term in November 2012.
- o) California Gov. Jerry Brown previously served eight years as governor from 1975-1983. Gov. Brown was elected to full four-year terms in November 1974, 1978 and 2010.
- p) Iowa Gov. Terry Branstad previously served 16 years as governor from 1983-1999. Gov. Branstad was elected to full four-year terms in November 1982, 1986, 1990, 1994 and 2010.
- q) Oregon Gov. John Kitzhaber previously served eight years as governor from 1995-2003. Gov. Kitzhaber was elected to full four-year terms in November 1994, 1998 and 2010.

***Note:** This column serves to indicate if a governor has completed any prior gubernatorial service (whether by succession, appointment or election to a partial or complete term of office). The notes below clarify the parameters of a governor's term(s) in office. Please consult the election code of each state to determine if a governor is eligible to serve additional terms in office.

- a) Absolute two-term limitation.
- b) After two consecutive terms as governor, the candidate must wait four years before becoming eligible to run again.
- c) Limit of eight years of service out of every 16 years.
- d) Two-year term.
- e) Governor cannot serve immediate successive terms, but may be elected to non-consecutive terms.
- f) Texas Lt. Gov. Rick Perry became governor in December 2000 when Gov. George W. Bush was elected President. Gov. Perry was elected to full four-year terms in November 2002, 2006 and 2010.
- g) Nebraska Lt. Gov. Dave Heineman became governor on January 21, 2005, completing the unexpired term of Gov. Mike Johanns following his appointment as U.S. Secretary of Agriculture. Gov. Heineman was elected to full four-year terms in November 2006 and 2010.
- h) Arizona Secretary of State Jan Brewer became governor on January 21, 2009, completing the unexpired term of Gov. Janet Napolitano following her appointment as U.S. Secretary of Homeland Security. Gov. Brewer was elected to a full four-year term in November 2010.
- i) Illinois Lt. Gov. Pat Quinn became governor on January 29, 2009, completing the unexpired term of Gov. Rod Blagojevich following his removal from office. Gov. Quinn was elected to a full four-year term in November 2010.
- j) Alaska Lt. Gov. Sean Parnell became governor on July 26, 2009, completing the unexpired term of Gov. Sarah Palin following her resignation. Gov. Parnell was elected to a full four-year term in November 2010. He is eligible to run for a second full term in 2014.
- k) Utah Lt. Gov. Gary Herbert became governor on August 11, 2009, following Gov. Jon Huntsman Jr.'s appointment as U.S. Ambassador to China. Gov. Herbert won a special gubernatorial election (required by Utah law) in November 2010 to complete Gov. Huntsman's unexpired term. Gov. Herbert was elected to a full four-year term in November 2012.
- l) Northern Mariana Islands Lt. Gov. Eloy S. Inos became governor on February 20, 2013, completing the unexpired term of Gov. Benigno Fitial following his resignation. Gov. Fitial was serving a five-year second term in office as governor (instead of the normal four-year term) because of Senate Legislative Initiative 16-11, which prescribes that future general elections in NMI will be held during even-number years. Therefore, the next gubernatorial general election in NMI will take place in 2014 instead of 2013.
- m) West Virginia Senate President/Lieutenant Gov. Earl Ray Tomblin became acting governor on November 15, 2010, following the election of Gov. Joe Manchin III to the U.S. Senate. Gov. Tomblin won an October 2011 special gubernatorial election (required by a January 2011 state Supreme Court decision) to serve the remainder of Gov. Manchin's unexpired term. Gov. Tomblin was elected to a full four-year term in November 2012.
- n) North Dakota Lt. Gov. Jack Dalrymple became governor on December 7, 2010, completing the unexpired term of Gov. John Hoeven following his election to the U.S. Senate. Gov. Dalrymple was elected to a full four-year term in November 2012.
- o) California Gov. Jerry Brown previously served eight years as governor from 1975-1983. Gov. Brown was elected to full four-year terms in November 1974, 1978 and 2010.
- p) Iowa Gov. Terry Branstad previously served 16 years as governor from 1983-1999. Gov. Branstad was elected to full four-year terms in November 1982, 1986, 1990, 1994 and 2010.
- q) Oregon Gov. John Kitzhaber previously served eight years as governor from 1995-2003. Gov. Kitzhaber was elected to full four-year terms in November 1994, 1998 and 2010.

NOTES

Democrat (D), Independent (I), *Republican (R)*, Popular Democratic Party of Puerto Rico (PDP)

*Note: This column serves to indicate if a governor has completed any prior gubernatorial service (whether by succession, appointment or election to a partial or complete term of office). The notes below clarify the parameters of a governor's term(s) in office. Please consult the election code of each state to determine if a governor is eligible to serve additional terms in office.

- a) Absolute two-term limitation.
- b) After two consecutive terms as governor, the candidate must wait four years before becoming eligible to run again.
- c) Limit of eight years of service out of every 16 years.
- d) Two-year term.
- e) Governor cannot serve immediate successive terms, but may be elected to non-consecutive terms.
- f) Texas Lt. Gov. Rick Perry became governor in December 2000 when Gov. George W. Bush was elected President. Gov. Perry was elected to full four-year terms in November 2002, 2006 and 2010.
- g) Nebraska Lt. Gov. Dave Heineman became governor on January 21, 2005, completing the unexpired term of Gov. Mike Johanns following his appointment as U.S. Secretary of Agriculture. Gov. Heineman was elected to full four-year terms in November 2006 and 2010.
- h) Arizona Secretary of State Jan Brewer became governor on January 21, 2009, completing the unexpired term of Gov. Janet Napolitano following her appointment as U.S. Secretary of Homeland Security. Gov. Brewer was elected to a full four-year term in November 2010.
- i) Illinois Lt. Gov. Pat Quinn became governor on January 29, 2009, completing the unexpired term of Gov. Rod Blagojevich following his removal from office. Gov. Quinn was elected to a full four-year term in November 2010.
- j) Utah Lt. Gov. Gary Herbert became governor on August 11, 2009, following Gov. Jon Huntsman Jr.'s appointment as U.S. Ambassador to China. Gov. Herbert won a special gubernatorial election (required by Utah law) in November 2010 to complete Gov. Huntsman's unexpired term. Gov. Herbert was elected to a full four-year term in November 2012.
- k) Northern Mariana Islands Lt. Gov. Eloy S. Inos became governor on February 20, 2013, completing the unexpired term of Gov. Benigno Fitial following his resignation. Gov. Fitial was serving a five-year second term in office as governor (instead of the normal four-year term) because of Senate Legislative Initiative 16-11, which prescribes that future general elections in NMI will be held during even-number years. Therefore, the next gubernatorial general election in NMI will take place in 2014 instead of 2013.
- l) West Virginia Senate President/Lieutenant Gov. Earl Ray Tomblin became acting governor on November 15, 2010, following the election of Gov. Joe Manchin III to the U.S. Senate. Gov. Tomblin won an October 2011 special gubernatorial election (required by a January 2011 state Supreme Court decision) to serve the remainder of Gov. Manchin's unexpired term. Gov. Tomblin was elected to a full four-year term in November 2012.
- m) North Dakota Lt. Gov. Jack Dalrymple became governor on December 7, 2010, completing the unexpired term of Gov. John Hoeven following his election to the U.S. Senate. Gov. Dalrymple was elected to a full four-year term in November 2012.
- n) California Gov. Jerry Brown previously served eight years as governor from 1975-1983. Gov. Brown was elected to full four-year terms in November 1974, 1978 and 2010.
- o) Iowa Gov. Terry Branstad previously served 16 years as governor from 1983-1999. Gov. Branstad was elected to full four-year terms in November 1982, 1986, 1990, 1994 and 2010.
- p) Oregon Gov. John Kitzhaber previously served eight years as governor from 1995-2003. Gov. Kitzhaber was elected to full four-year terms in November 1994, 1998 and 2010.
