Transportation Electrification Workshop**

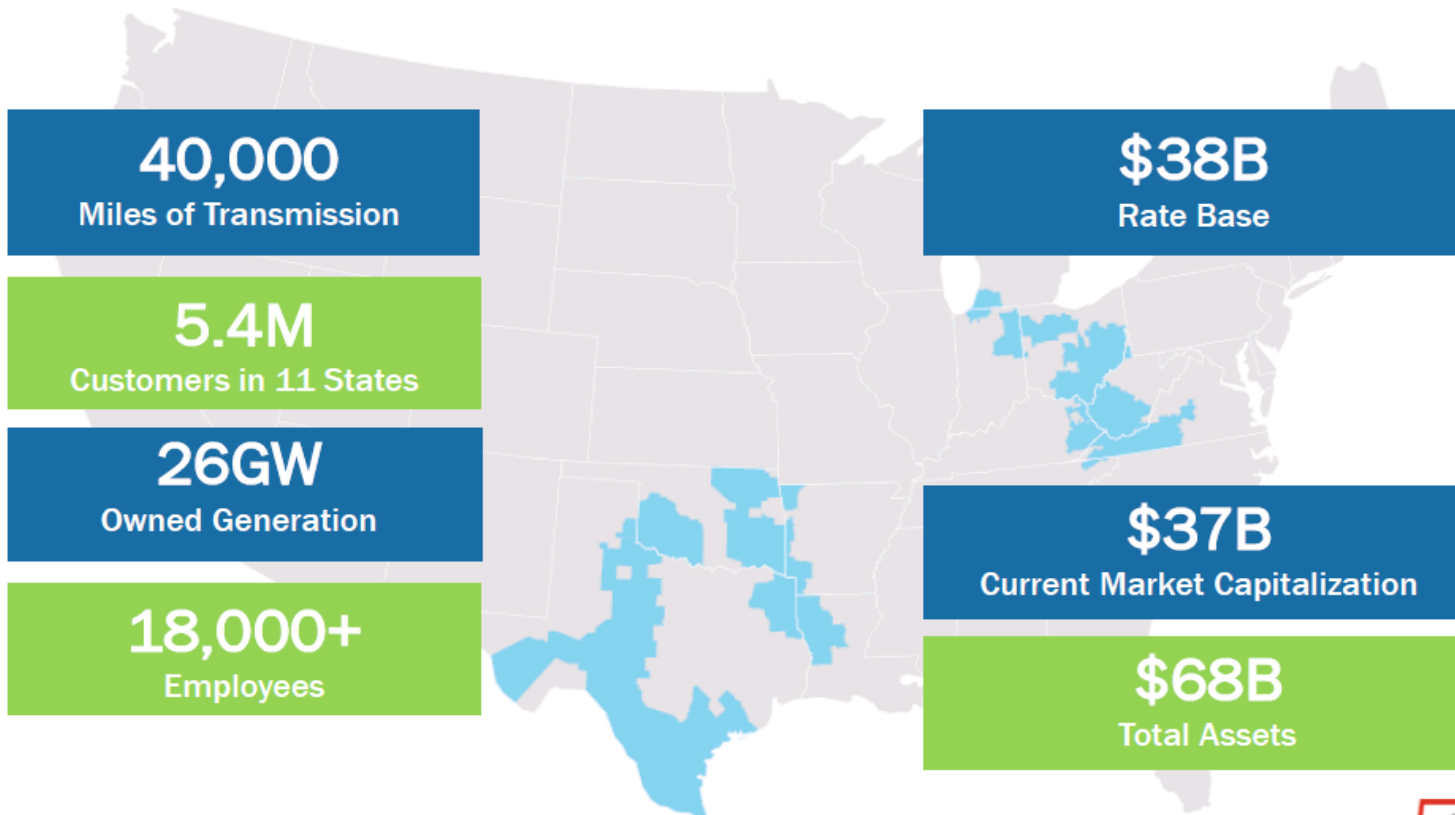

**April 30, 2019**

**Kansas City, MO**

**Daniel Francis**

**American Electric Power**

## THE PREMIER REGULATED ENERGY COMPANY

# EVSE Considerations

## Big not Little

- Consider topic in context of broader issues

## How not If

- Utilities will be involved somehow

## And not Or

- Not a single-faceted issue

## New not Old

- EV 'fueling' isn't like your father's car

## Broad not Narrow

- Variety of policy mechanisms available
