## Ongoing Technical Assistance

- Supporting the establishment of a statewide committee or task force to guide human capital policy improvements;
- Analyzing current data, policy, and practice related to human capital issues across the state;
- Assisting with the development of meeting agendas, meeting facilitation, and next steps;
- Building connections with national research and policy experts;
- Brokering and facilitating relevant conversations across the state;
- Providing examples of legislation or other related policies from other states; and
- Identifying opportunities in the ESSA to improve the quality of teacher and principal policies.
