- Participant phone lines are muted
- Submit questions through chat box
- If you are having technical difficulties with the webinar platform, please submit questions to Kimberly Hauge at KHauge@nga.org.
Webinar Overview

• Enhance Overview
• WBL State Highlights:
  • Washington
• Examples from Sector Strategies
  • Colorado
• Questions & Answers and Wrap-Up
Enhancing Work-based Learning

Mike Bartlett, Policy Analyst, NGA Center
Quality Process

Defining Quality → Identifying Quality → Improving Quality
Defining Quality

**Clear Work-based Learning Partnership Agreement**
A clear articulation of the work-based learning partnership among stakeholders that identifies the expectations for each partner as well as the general structure of the experience.

**Authentic Work Experience Component**
Participant engages in an authentic work experience that is of value and relevant to the sponsoring employer partner(s) workforce needs.

**Structured Learning Component**
Participant engages in structured learning activities to enrich and enhance knowledge, skills, and abilities.

**Culminating Assessment and Recognition of Skills**
The experience culminates in an assessment to gather sponsoring employer partner(s) feedback and garner formal recognition of participants’ learning and acquired skills.
Learning Labs

National Governor’s Association (NGA) Policy Academy on Work Based Learning (WBL)

Deliverables

- Environmental Scan of Work-Based Learning Opportunities
  - Performance Accountability System for WBL
- Governor’s Summit on Career Connected Learning
CAREER CONNECTED LEARNING | DEFINITION

...a continuum of awareness, exploration, preparation, and work experience activities aligned with curriculum and instruction to support participants' future career success.
WASHINGTON’S WORK BASED LEARNING
DEFINITION

... a component of Career Connected Learning...occurs through sustained interactions with industry or community professionals in real workplace settings or simulated environments in an educational institution that foster in-depth, first-hand engagement with the tasks required of a given career field.
LEARNING LABS | BACKGROUND

• Identity and share **promising practices and programs** from across the state
• Define **high quality criteria** for career connected learning
• **21** programs participating
• Programs receive small grant to offset costs of participation and preparation for the **May 31, 2017 Governor’s Summit on Career Connected Learning**
• Test and modify NGA and other criteria for effective practices
• Identify program strengths and challenges
• Curate tools & resources for sharing, replication, and scaling
• Inform policy recommendations
Clear Work-based Learning Partnership Agreement
A clear articulation of the work-based learning partnership between the participant, the educational institution or intermediary organization, and the sponsoring employer. The agreement describes terms and expectations of the experience, including learning objectives aligned with a career pathway, duration, and the financial or educational compensation afforded to the participant.

Authentic Work Experience Component
Participant engages in an authentic work experience that is of value and relevant to the sponsoring employer partner(s) workforce needs. Participant is supervised and mentored in the completion of assigned tasks and projects.

Structured Learning Component
Participant engages in structured learning activities to enrich and enhance knowledge, skills, and abilities. That includes curricula linked to the sponsoring employer’s skills needs and the concepts participants encounter in the workplace.

Culminating Assessment and Recognition of Skills
The experience culminates in an assessment to gather sponsoring employer feedback and garner formal recognition of participants’ learning and acquired skills. A partner educational institution or third party intermediary organization carries out the assessment to ensure that recognition is aligned with the attainment of a credential or progress along a career pathway.
DRAFT CRITERIA FOR HIGH QUALITY | CAREER CONNECTED LEARNING

1. Equity
2. Person Centered Approach (also commonly called youth-centered or client-centered approach)
3. Structured Learning Component
4. Business/Industry and Community Based Connections
5. Partnership Agreement
6. Assessment of Effectiveness and Recognition of Skill
7. Part of Continuum: Not a Stand-Alone Effort
8. Design Fidelity
9. Sustainability and Implementation at Scale
SOME OF OUR KEY LEARNING

• Reframed/added to NGA criteria for high quality
• Documented the range of program types and where they fall on the continuum
• Dedicated staffing to employers is critical
• Equity is important but there are not clear frameworks or common approach
SOME OF OUR KEY LEARNING

• Focused and sustained leadership is essential for large scale transformation
• Leveraging CTE expertise and relationships beyond the CTE walls, reaches more students
• Multiple/braided funding streams are creating new opportunities at scale, particularly for Opportunity Youth
• Relationships, Relationships, Relationships!
Building a System of Career Awareness, Exploration, Preparation and Training

Elementary School
Explore Interests Grades K-5
- Industry-based Design Challenges

Middle School
Explore Interests & Position Well for High School Grades 6-8
- Career Presentations & Fairs
- Career Exploration Embedded in Science & Math
- Informational Interviews

High School
Identify Career Interest Areas & Education Path Grades 9-12
- Job Shadows
- Work-based Problems w/ Class Mentor
- Internship
- Pre-apprenticeship
- Registered Apprenticeship

Opportunity Youth
Identify Short & Long-term Career Goals & Education Path Age 16-24
- Career Prep Workshop
- Internship
- Registered Apprenticeship

Transition to High School Plan

Great Jobs in Washington
1. Technical Certification
2. 2 year degree
3. 4 year degree
4. Registered Apprenticeship
- Military
