Putting Learner Success First: A Shared Vision for the Future of CTE

All CTE programs are held to the highest standards of excellence.

All learners are empowered to choose a meaningful education and career.

All learning is personalized and flexible.

All learning is facilitated by knowledgeable experts.

All systems work together to put learner success first.

Perkins is a lever – one of many – that can be used to achieve your state’s vision for career readiness

What Does Perkins Do?

- Perkins is a federal education program that invests in secondary, postsecondary and adult Career Technical Education (CTE) programs in all 50 states, the District of Columbia and the territories
- Perkins is:
 - dedicated to the continuous improvement of and relevancy of CTE to meet the ever-changing needs of learners and employers
 - increasing learner access to high-quality CTE programs of study
