

SRP Water & Energy Nexus

Delivering water and power™

What is SRP?

- A community-based not-for-profit water and energy company.
- Provides reliable, affordable water and power to more than 2 million people living in central Arizona.
- SRP has provided these essential resources for more than a century to meet the needs of customers and help the region grow

Water Use and Power Production

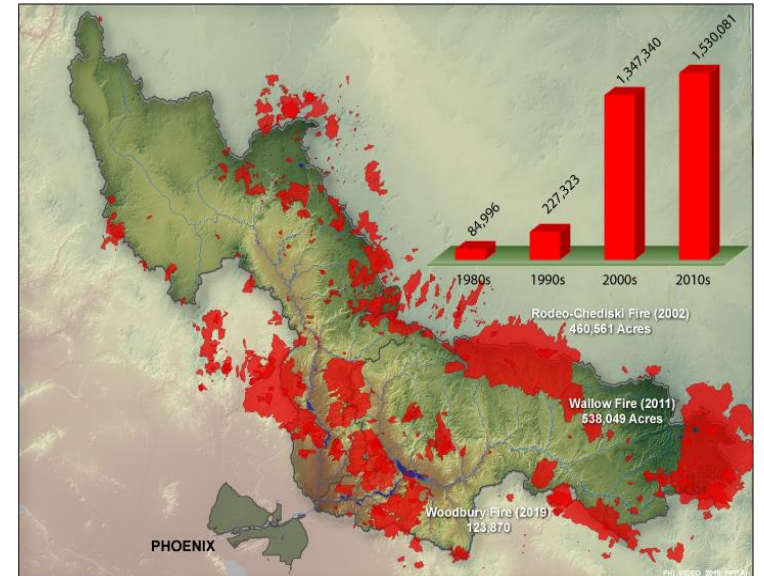

- Resource Planning Considerations
- Facility Siting Considerations
- Customer Goals in the Water/Energy Nexus

FY20 Energy (GWh)
31,327 GWh

2035 Sustainability Goals

- Reduce the amount of CO2 emitted (per MWH) by 62% from 2005 levels by 2035 and by 90% by fiscal year 2050.
- 20% reduction in generation related water use intensity across all water types.
- Eliminate or offset power generation groundwater use in AMAs
- Increase SRP's leadership role in forest restoration treatments through partnerships, influence, education and support for industry to thin 50,000 acres per year or 500,000 acres total
