ALL ABOUT COMPATIBILITY

Family-Match exists to expedite the most compatible matches between waiting children and waiting families. We flip the script on the adoption process by using one platform to match children with the most compatible families.

**We offer
efficiency + speed.**

Our unique technology
narrows prospects +
fast-tracks adoptions.

**More children
are adopted.**

Agencies using Family-
Match have increased
adoptions by up to
50%.

**Millions of
\$ saved.**

Our software saves
big by reducing
government + agency
processing.

**Caseworkers feel
the love.**

The ease of our one-
stop intuitive platform
empowers caseworkers
for success.

**Families benefit
experientially.**

Our streamlined
process greatly lessens
the common chaos +
trauma of adopting.

WE LOVE CASEWORKERS

We help caseworkers do their best work: uniting families + children. As a non-profit, we've figured out how to use the power of a matching algorithm to expedite caseworkers' enormous job of placing children with their forever family.
