

If you would like to add a link to AI actions in your state or other resources, please contact [Sally Rood](#) at the NGA Center for Best Practices. Disclaimer: This list is not meant to be complete or comprehensive.

State Resource List: Artificial Intelligence (AI) October 2023

Federal Level Activities

- The White House: [Blueprint for an AI Bill of Rights: Making Automated Systems Work for the American People](#) (October 2022)
- National Institute of Standards & Technology (NIST) [AI Risk Management Framework: Second Draft](#) (August 18, 2022)
- Joint statement from the U.S. Federal Trade Commission, Consumer Financial Protection Bureau, Department of Justice Civil Rights Division, and Equal Employment Opportunity Commission on [Enforcement Efforts Against Discrimination and Bias in Automated Systems](#) (April 24, 2023)
- Senator Schumer [SAFE Innovation Framework](#) (June 21, 2023)
- German Marshall Fund of the US [AI Policy Tracker](#) (August 8, 2023)
- Federal of American Scientists [FY24 National Defense Authorization Act \(NDAA\) AI Tracker](#) (July 18, 2023)
- [From Ethics to Operations: Current Federal AI Policy](#), Advanced Technology Academic Research Center (ATARC), January 25, 2022

State Executive Branch Activities

- [23-state letter signed by 23 state attorneys general](#) (June 12, 2023) in response to National Telecommunications & Information Administration (NTIA) [Request for Comments on AI Accountability](#)
- **California**
 - Governor [Signs Executive Order to Prepare California for the Progress of AI](#) (September 6, 2023)
 - Little Hoover Commission [Artificial Intelligence: A Roadmap for California](#) (November 2018)
- **Colorado** Division of Insurance (DOI) draft [Algorithm and Predictive Model Governance Regulation](#) (February 1, 2023)
- **Kansas** Office of Information Technology Services Policy & Procedures Memorandum [Generative Artificial Intelligence Policy](#) (July 31, 2023)
- **Maine** Department of Administrative & Financial Services MainIT [Cybersecurity Directive 2023-03](#) (June 21, 2023)
- **Oklahoma** [Executive Order 2023-24](#) (September 25, 2023)
- **Oregon** Workforce & Talent Development Board (WTDB) Artificial Intelligence Task Force: [WTDB Report: Talent Development for Artificial Intelligence in a Post-Pandemic World](#) (October 2020).
- **Pennsylvania** [Executive Order 2023-19 – Expanding and Governing the Use of Generative Artificial Intelligence Technologies Within the Commonwealth of Pennsylvania](#) (September 20, 2023)
- **Tennessee** Department of Finance & Administration, [Intelligent Automation: Reinventing the Way Government Does Business](#) (August 4, 2022)
- **Vermont** Agency of Digital Services:
 - [State of Vermont: Artificial Intelligence Code of Ethics](#), Vermont Artificial Intelligence Council, Agency of Digital Services, Version: 1. Last Update: 9/21/2023
 - [Report Regarding Inventory of Artificial Intelligence Usage](#), Vermont Agency of Digital Services, Office of the Secretary (December 1, 2022)
 - Vermont [Division of Artificial Intelligence](#)

- **Virginia** [Executive Directive Number Five \(2023\) Recognizing the Risks and Seizing the Opportunities of Artificial Intelligence](#) (September 20, 2023)
- **Washington** State
 - Office of the CIO: [Interim Guidelines for Purposeful and Responsible Use of Generative AI in Washington State Government](#) (Adopted August 8, 2023)
 - Washington Technology Solutions Agency (WaTech): [Automated Decision-Making Systems Workgroup Report](#) (December 2021)
- **Wisconsin** Economic Development Corporation: [Gov. Evers Signs Executive Order Creating Task Force on Workforce and Artificial Intelligence; Executive Order #211](#) (August 23, 2023)

State Legislative Actions

- National Conference of State Legislatures (NCSL) [Approaches to Regulating Artificial Intelligence: A Primer](#) (Updated August 10, 2023)
- NCSL [Artificial Intelligence 2023 Legislation Tracker](#) (Updated July 20, 2023)
- **Connecticut** Gov. Lamont [signed a law](#) that calls for an AI use inventory, establishes AI working group for regulatory & policy recommendations, and requires legislature to develop AI bill of rights. (July 1, 2023)
- **Minnesota** [HB 1370](#) proposed to create: 1) criminal liability for using deep fake technology to influence an election, and 2) a civil cause of action for distributing sexually explicit “deep fake” images without the consent of the depicted individual. (2023)
- **North Carolina** [SB 460](#) would establish a study committee on automation and the workforce (Introduced April 3, 2023)
- **Texas** Governor signed [HB 2060](#) creating AI Advisory Council for the state. (June 15, 2023)

Local level Activities

- National League of Cities (NLC) Webinar: [Introduction to AI in Municipal Government](#) (August 10, 2023)
- New York City (NYC) [Artificial Intelligence Strategy](#) (October 2021)
- City of Boston [Interim Guidelines for Using Generative AI](#) Version 1.1 (May 18, 2023)

Resources, Technical Assistance

- American Association for the Advancement of Science: [Foundational Issues in AI and Glossary of AI Terms](#) (September 2022)
- National Association of State Chief Information Officers (NASCIO) [AI Meets the Moment: How a Pandemic has Shaped AI Adoption in State Government and What it Means for the Future](#) (October 26, 2021)
- George Mason University Mercatus Center [Artificial Intelligence: An Introduction for Policymakers](#) (February 16, 2023); Interactive website: [AI Policy Guide](#)
- Special Competitive Studies Project (SCSP): Podcast [SCSP on AI Rules and Regulations](#) (July 5, 2023); [Memo to the President and Congress on Governance of Generative AI](#) (September 7, 2023)
- National Association of Insurance Commissioners [Big Data and Artificial Intelligence Working Group](#) (2023)
- Ford Foundation: [A Guiding Framework for Vetting Technology Vendors Operating in the Public Sector](#) (March 2023)
- National Association of State Procurement Officials (NASPO) Pulse Blog & Podcast [AI in Procurement](#) (July 11, 2023)
- Bipartisan Policy Center [AI and the Workforce](#) (July 2020)
